

LEGAL
CENTRE
LESBOS

INVITATION

December 18th 2018 - from 7 to 9 p.m. – location Aquarium/Südblock, Skalitzer Strasse 6, 10999 Berlin

<https://www.borderline-europe.de> is inviting you to an information and discussion evening on the new border regime (EU Turkey Deal) on the Greek Hotspot Islands and the consequences for migrants.

Two practitioners, Lorraine Leete from the Legal Center Lesbos and Valeria Hänsel from dm-aegean-bordermonitoring.eu will be your hosts. They concentrate on legal support for migrants and on analysing the EU Turkey Deal and the new border regime and will shed light on the situation on the Greek Hotspot Islands since 2016.

They are looking forward to discuss their findings and experiences with you. We will meet in a casual atmosphere and will provide snacks and drinks.

We will meet from 6.30 p.m. onwards and start the event around 7 p.m. The event will be held in English.

=====

“EU Turkey Deal - A new border regime - Situation of migrants, legal support structures and bordermonitoring”

an update and discussion with

Lorraine Leete from the Legal Center Lesbos <http://www.legalcentresbos.org>

and

Valeria Hänsel from Deportation Monitoring Aegean.Bordermonitoring.eu

in cooperation with Borderline Europe

Part 1: The EU-Turkey Deal and its consequences (A shifting border regime: Border security, The Greek hotspots, Fast track asylum procedures, Detention and Deportation)

Part 2: The situation of the migrants on Lesbos (Moria (35), resistance & protests)

Part 3: Legal Centre Lesbos and Deportation Monitoring Aegean: what we do and document (Legal Advice, Monitoring of rights violations, detention and deportation)

=====

Legal Centre Lesbos is a team of lawyers and legally trained volunteers from across Europe, providing assistance on legal matters to refugees of Lesbos, in particular to political cases, e.g. to the Moria 35. We also provide help on asylum applications, relocation and family reunification, as well as giving information and advice on any other legal issues refugees residing on Lesbos may have.

Bordermonitoring <http://bordermonitoring.eu/> is a German association that analyses and contends the policies, practices and events in the European border regime and in migration movements. The subgroup Deportation Monitoring Aegean <http://dm-aegean.bordermonitoring.eu/> monitors the situation regarding detentions and deportations on the Greek Islands.
